Roy Jenkins, author of Gladstone, does an artful skill to the task of weaving the threads of Gladstone's birth and pedigree into a tapestry of his life as a scholar, author, and vigorous participant in the religious arguments of the period.

[gladstone a biography by roy jenkins goodreads](#)

Jenkins's book is certainly a comprehensive biography of the late WE Gladstone. I give the author credit for the research and comprehensive nature of the work and I certainly stepped away from it feeling that I have a much stronger understanding of the man and his era.

[gladstone by roy jenkins](#)

Gladstone, by historian and eminent politician Roy Jenkins, is a full and deep portrait of a complicated man, offering a sweeping picture of a tumultuous century in British history, and is also a brilliant example of the biographer's art.

[gladstone by roy jenkins kirkus reviews](#)

A definitive, celebratory biography of the greatest 19th-century British political leader, by a distinguished 20th-century British politician. Despite living in different centuries, Roy Jenkins (Lord Jenkins of Hillhead) and William Gladstone (1809-98) share many characteristics. Both men held powerful political positions. (Gladstone served four terms as prime minister of Britain.)

[gladstone amazon roy jenkins 9780330411714 books](#)

"Gladstone" (1996) by Roy Jenkins is a well-written and highly effective single-volume biography. "He was the most remarkable specimen of humanity of all the fifty who, from Walpole to Major, have so far held the office of British Prime Minister" (P. xvi) states the author at the start and proceeds to show why.

[peter clarke reviews gladstone by roy jenkins lrb 30](#)

The most eminent of Victorians has at last received a biography which makes his extraordinary life accessible and comprehensible. It is, inevitably, a post-Stracheyan view of the Victorian era, marvelling at how different its assumptions were from those of the 20th century. But there is no snide debunking in Roy Jenkins's biography. The Gladstone who emerges is "temperamentally commanding ...

[the booming voice of liberalism archive nytimes](#)

As a work of political philosophy, "Notes From the Underground" is not, of course, worth considering. However, Roy Jenkins's rather neon-lit version of Gladstonian enlightenment makes me want to read it again. It is very funny.

Gladstone was born in 1809 and died in 1898, and he moved through all the phases of the century.
